

MAY Your Volunteer Numbers Grow Recruiting Outreach Coordinators of Kairos

Howdy ROCKs... Did you know that the celebration of May Day honors the returning fertility to the earth between Spring and Summer? It's a sign of growth in nature and we can take from that inspiration to grow our Kairos volunteer teams.

April and May Kairos weekends are quickly fading into blessed history and new volunteers have now become seasoned.

What plans and events do you have scheduled for Recruiting and Outreach this summer? We would really love to hear from YOU! Good ideas, bad ideas, crazy ideas, we want to hear them ALL!

Be sure to share your news online, visit kairostexas.org/Recruiting-Outreach and look for the  STOP SIGN at the bottom of the page to leave us feedback.

Now on to what you will find in this month's ROCK newsletter...

Kairos Speakers Bureau

Do you have a dedicated group of volunteers on your Kairos team that are ready to speak to a group when asked? A speakers bureau might be the answer.

[VIEW OUR EXAMPLE of a online speaker request form here](#). This request form is setup to forward directly to the AC ROCK who will then complete a Speakers Bureau Checklist.

Once you have a speaking event booked, what are your next steps? We can help you plan for that too! [DOWNLOAD your presentation checklist here](#) and you're ready to get to work!

A Speakers Bureau might be an idea that would work for your team. How cool would it be if we had a Speakers Bureau by Region? A point to ponder as Steve would say.

Volunteer Commitment

OKAY... soooooo let's talk.

The Weekend Leader and everyone on the team worked really hard at recruiting new volunteers to work on a Kairos Weekend. They did a fabulous job and the Weekend was flawless (well maybe not flawless) but close, right? Full of blessings for sure.

After the weekend you have Instructional and most of the team members come back. Notice the word 'most.' Did you ever wonder why only 'most' came back? Have you talked to the past Leaders to try and sort out this phenomenon? It seems to happen for a lot of teams so yours is not the only one with this problem.

How do you stay in touch with your new volunteers after they participate in their first

Weekend? Do you call them, or email them or let them know when Reunions and Retreats are coming up. Do you send them Prayer & Share dates and make sure they know they can participate in all these events now that they have been through a weekend? How committed to Kairos are your new volunteers? Is this a question you ask them. Are we giving them a reason to come back? Interesting questions right?

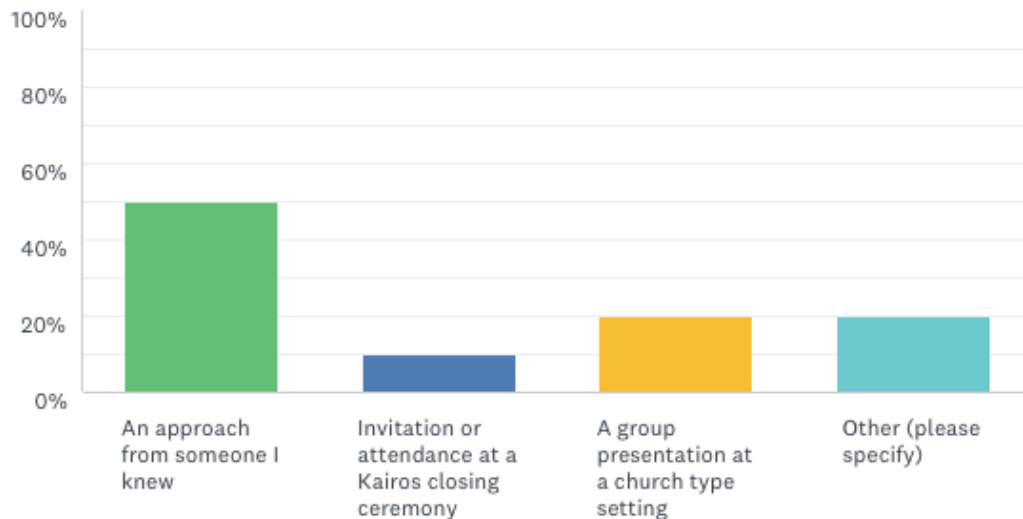

We really want to know your winning solutions to these problems!

Visit kairostexas.org/Recruiting-Outreach and look for the  STOP SIGN at the bottom of the page to share your ideas. We would love to feature some of your experience with the ROCKs in our June Newsletter.
