

Kairos School in July!

Recruiting Outreach Coordinators of Kairos

Hey ROCKs! Welcome to **July Kairos Summer School**. Remember back when summer school was all about learning to drive and getting your license so you could pick up your friends in the family car and cruise the main drag?

Reminds me of a story...

There once was this Indian Chief who won a brand new shiny pink Cadillac. The next day he was seen riding in the back of that Cadillac, waving to the crowd and smiling as four beautiful horses pulled that car down the road. Do you think he should have gotten some training?

Seriously, training is a must and ROCKs you can help encourage your Secretary, Financial Secretary, State Rep. and yourself to get down to Austin on July 14th for some training. It's all brand new training so NO, you haven't taken it before.

What you will find in this month's ROCK newsletter...

The Kairos Texas Advisory Councils have spoken and Kairos State Leadership LISTENED! The overwhelming comments from everyone participating in the 5 year plan asked for MORE training and education.

The following four trainings will be provided at the Texas State Meeting on July 14th. These positions had the most inconsistencies in understanding and needed immediate attention. Training for other positions will follow at a later date.

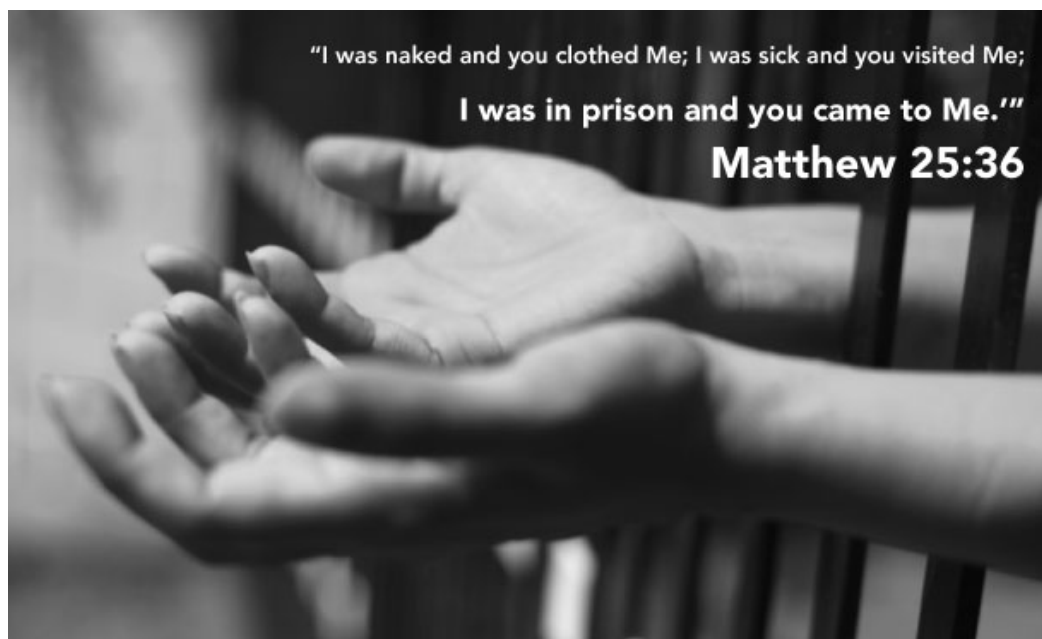

- **State Representative** – being a State Rep. is so much more than just attending the quarterly meeting and taking notes. Debbie Van Pelt will lead discussions that drill down into your ability to make decisions, and both giving and receiving “best practices”.
- **Outreach/Recruiting** – the survival of Kairos depends heavily on active Outreach/Recruiting activities by every Ad Council. This session will focus on the tools available to assist the Outreach Coordinator. Dickson de la Haye and the team promises that the session will be fun and chocked full of ideas.
- **Financial Secretary** – John Osborne will conduct this session with emphasis on preparing to create Ad Council budgets for 2019. He will have individual Profit/Loss Statements to better visualize the budgeting process with your own data.

- **Secretary** - Julie Cole and Mike Springer will go over the job responsibilities of the position focusing on the Advisory Council election process and then how to move that information into Kairos Messenger. Julie is the State Registrar which is a unique position in Texas. Julie and Mike will clear up some of the confusion surrounding the Secretary position.
- **Note:** Q & A sessions included in each training session, so bring your questions.

An invitation:

I again want to plead with you all to try your best to send the 4 representatives from your Ad Council. I promise they will return better informed.

*A fellow servant,
Steve Newton Chair, Kairos of Texas*
