Feedback is a Gift, Please Take Our December Survey

Have you ever heard the saying 'feedback is a gift?' Well it's true and we sure need to hear from you the ROCKs.

As you can see from the October Survey results below, we only had 6 people out of 190 take the survey which gave us a split 50-50 results.

ALL surveys posted to the ROCK it Newsletters are secured and email addresses are not shared with anyone. Your information is only available to your

ROCK subcommittee team members that produce this newsletter. We make sure our surveys never require more than 1-minute of your time. Without your response we cannot determine where there are areas of opportunities for recruiting and outreach for Kairos.

Your participation in the monthly surveys is greatly appreciated! PLEASE take the 1-minute survey below by clicking the green banner.

We appreciate your time and comments. Thank you for your gift of Feedback!
