APRIL 2011

Kairos Outside Lubbock

Inaugural KOL Weekend # 1 Completed, April 1-3 2011

God chose 20 ladies to be Guests for the Weekend. Forty-three people answered God's call to be on the Team. It was awesome to seek God together throughout the Weekend. We laughed and cried together as we became a community. Guests and Team were filled to overflowing with God's love and presence. God led the preparations for the Weekend from the beginning of the team forming and the first team meeting. The ladies and men on the Team arrived at Mercy Center ready to share the love of Jesus and serve the Guests. The Guests arrived on Friday not knowing all that would be happening during the Weekend but with open minds and hearts to receive God's love through the KO experience. God showered the Guests with His grace. When it was time to leave on Sunday not a person left being the same as when they arrived. Thank you to the Christian community for providing different means of agape, prayer support, and giving a helping hand as an angel. Please continue to pray for our new Kairos Outside Sisters and their incarcerated loved ones. May we all remember "the Lord is our God and Savior" as affirmed in Isaiah 43:1-3, the Scripture for the weekend.

The Mission of Kairos Outside

When people are incarcerated for crimes, family members also "Do The Time." It is a time of single parenting, limited income, lost holidays and birthdays, loneliness, shame, and few friends able to understand what they are going through. Kairos Outside is a special weekend retreat designed to support women who have been affected by incarceration. In a safe environment with loving people, women interact with other women who are in similar situations and learn to form small groups to support and give them strength for the challenges they face. Kairos Outside is an

international ministry with locations in most states and several foreign countries. Currently there are eight locations in Texas. Work on developing the KO Lubbock ministry began in 2009 with our first guest weekend taking place in April of 2011. Two weekends will be offered to guests each year. Additional information and applications are available from any member of the Advisory council and various web sites described later in this newsletter.

From the Spiritual Director

What an awesome weekend. Everybody and everything fitted and fell right into place. Each team member was on their post doing their duties and ready to do extra if needed. The ladies were in awe of all that was taking place. The talks were soul moving and encouraging. The speakers poured out their hearts which helped everyone and allowed God to release and heal their wounds. The food was good, tasty, and plenty, thank God. Our servants and kitchen team worked diligently always with a smile.

The agape gifts were first class and plenty. Three guests rededicated their life to the Lord. Our leaders, sisters Joyce, Teddy, Barbara, and Crystal were calm and handled every situation that developed. The quiet guidance of Jo Chapman was a blessing to all of us.

Spiritually, God showed up and showed out. The things that I was nervous and insecure about He just

Each person was ready and willing to fill in and do whatever and wherever there was a need. So much love and kindness was shown it was a blessing for everyone present. Thank God for an opportunity to labor in this vineyard.
