Kairos Outside

Kairos Outside is designed to support the female loved ones of men and women who are incarcerated in state and federal correctional facilities, as well as county jails and youth offender programs. We believe that the families of the incarcerated are "doing time" right along with their loved ones.

Kairos 'Outside' is designed to let those families know that there is a community that cares about them and their needs. Loved ones invited to participate are called Guests. Guests share with each other how the incarceration of a loved one is affecting family life.

This weekend is a way to help strengthen the family unit and encourage small support groups for these women on the outside. We provide a secure place for women to share their struggles with each other and with those who are empathetic to their situations.

The women on the outside, in many ways, have to be stronger than their relatives inside to survive in today's world. We hope Kairos "Outside" will help them find strength for their life journeys and give them a chance to find and build friendships that may last a lifetime.

WHEN GOD
WANTS TO
BLESS YOU,
HE SENDS A
PERSON IN
YOUR LIFE.

Notes from the AC Chair

When God wants to bless you, He sends a person in your life. When the devil wants to destroy you, he sends a person in your life. How can we tell the difference? By knowing your "people connections" and the fruit produced in your life and others.

Your success depends on the quality of people you are connected to, and realizing there are two types of people you'll come in contact with throughout your lifetime:

- 1) Those that add and multiply, making you more than you are;
- 2) And those who subtract and divide, thereby devaluing you.

Never allow people into your life without knowing their agenda. Find out where they came from and why they want to be connected to you. When a person is in your life and your life is declining, they are not a God connection! Do what you can to share Jesus, and if you are received you have won another soul for the Kingdom and done your Fathers will. If they do not wish to receive, shake the dust off and move to the next person/opportunity.

A healthy connection will protect your God-worth even when you're experiencing a season of pain or struggling with a failure or challenge in your life. Remember: A true God connection will never abandon the assignment until you reach your full potential!

I am richly blessed with an Advising Council for Kairos Outside 2012—God connected men and women, placed in my life for a specific purpose and time of growth, and I praise God for each of you. Stay blessed and in the word, and have an Awesome God inspiring week.

- In Christ, Doris

Reunion Round-Up

KO # 22 held it's reunion on April 21! God showed up, and he sure showed off. There were 52 in attendance. The ladies who had just been on their weekend, were thankful and joyous as we shared our experiences with the ministry and planned for at least one more reunion this summer. We did some silly stuff during the introductions, and our AC chairman introduced herself to our newest sisters. Doris is indeed a leader and is serving tirelessly to meet all the big responsibilities of that job. Warm fuzzies and love to her.

The gals from Kina's weekend were willing to express what they got out of the weekend, and they are on fire for Jesus. They have bonded with one another as sisters in Christ and have made an effort to reach out to each other. They want to have another reunion before Janice's weekend in September, and I LOVE that idea. According to the manual, we are supposed to have reunions quarterly, so we are looking at July or August. Look for further news on that.

This is a time for togetherness as sisters as we march forward as warriors for souls. Stay strong in the Lord, dig into his word, so that you may have it written on your hearts. Love to each and every one of you! He REIGNS!

KO TESTIMONY

My experience with KO weekend #21

by Pat Archuleta

Where do I begin? Oh yeah, the devil doesn't like KO to happen. He took away my vacation day before I even got started. Then he tried to make me go back to work and leave the retreat center. He didn't just attack me. One of the speakers' talk was missing, another speaker had a family emergency, and I thought I was going to have to leave and go to work. Additionally, people got sick, couldn't participate for some ominous reason and others who were attending were attacked by the ever-present force of destruction that hates when Christians proclaim his adversary.

The Holy Spirit reacted most authoritatively! He stepped in and stepped up. Lives were changed, friendships were forged and chains were broken!! NEVER underestimate the power of the Holy Spirit. What an awesome weekend we had. And everyone there knew it was a triumph for our Lord.
